

University of California, Davis
Department of Microbiology & Molecular Genetics
College of Biological Sciences

Special Seminar

Dr. Nils Walter

Francis S. Collins Collegiate Professor of Chemistry,
Biophysics, Biophysics and Biological Chemistry
University of Michigan

“Single Molecules Come into Focus: Understanding
RNA-Driven Regulation from First Principles”

Wednesday, August 8, 2018

12:00 pm

1022 Life Sciences

Hosted by Stephen Kowalczykowski, sckowalczykowski@ucdavis.edu, 752-5938
